Dear Members,

We appreciate your patience and support as we update the “new normal” for the Jacktown Ride and Hunt Club. In order to adhere to new CDC and Pennsylvania Guidelines, the following changes have been instated and are effective immediately.

- Our hours are **Tuesday-Sunday (Noon-8 PM)**. This will allow the staff extra time to thoroughly clean and sanitize.
- We are closed on Mondays.
- Dine-in, patio, and curbside pick-up is available during normal business hours.
- **Face masks MUST BE WORN at all times when you are not seated at your table.** Once you are seated at your table in the dining room or upstairs, you can remove your face mask. If you are dining on the patio, you do not need to wear a face mask. However, you will need one upon entering the building.
- Phone reservations are **REQUIRED** to dine in. Please call to let us know when you have arrived in the parking lot. We will either meet you at the door, or ask you to wait in the comfort of your car until your table is ready, to avoid crowds in the narrow hallway.
- For curbside pick-up, please allow 1 hour notice. Please pull in the parking lot and call to let us know that you have arrived.
- PA Guidelines dictate that our occupancy is limited to 50%. The layout of the dining room, upstairs, and patio have been modified to follow the guidelines. At this time, due to the limited number of tables available, we may not be able to honor requests for a specific table or server that you may favor.
- Bar seating is limited also. Everyone at the bar is to be seated. Standing at the bar is restricted until further notice.
- Beer and Wine Club are postponed until further notice.
- The Wednesday Drawing will continue but will be held at 8:00 PM instead of 9 PM.

In addition, the JRHC has felt the impact of the COVID 19 pandemic and have not been supplemented with any stimulus money. As a result, the Board of

Directors have made some very difficult decisions. It is with a heavy heart that we must cancel the 2020 Golf Outing and 2020 Annual Club Picnic.

We are committed to providing our members and staff with the best dining experience. However, the health and safety of our members and staff is our top priority.
